

IMPELLER-PUMP 12V IMPELLER TYPE DRUM PUMPS

These fuel pumps are shaft driven impeller type. This superior design means no priming problems and much longer life than vane type suction style pumps.

Drive motor & pump must be purchased separately to allow correct pump length for your application. Use 38" pump assembly for standard drums.

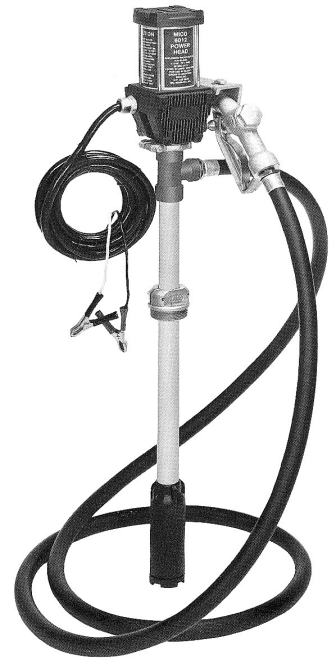

POWER HEAD KITS

ITEM#	MODEL/KEY	DESCRIPTION	PRICE	CODE
02-820-112	6012	POWER HEAD ONLY C/W 12' BATTERY CLIP CABLES	680.00	B
02-820-112-30	6012	POWER HEAD ONLY C/W 30' BATTERY CLIP CABLES	745.00	B
02-820-118	6012	POWER HEAD KIT C/W 12' HOSE / NOZZLE / CABLES	930.00	B

PUMP KITS

ITEM#	MODEL/KEY	DESCRIPTION	PRICE	CODE
02-840-055	24"	PUMP STANDPIPE ASSEMBLY ONLY	315.00	B
02-840-056	30"	PUMP STANDPIPE ASSEMBLY ONLY	315.00	B
02-840-057	38" (drum length)	PUMP STANDPIPE ASSEMBLY ONLY	345.00	B
02-840-058	48"	PUMP STANDPIPE ASSEMBLY ONLY	375.00	B
02-840-059	60"	PUMP STANDPIPE ASSEMBLY ONLY	445.00	B
02-840-060	72"	PUMP STANDPIPE ASSEMBLY ONLY	475.00	B

*Pump stands mount easily to power head with bolt clamp supplied
Above power heads and pump stands shipped in separate cartons*
